Describe the overall assessment strategy and specific arrangements which have been put in place to ensure that assessment is always valid, reliable and fair and show that these are in line with the requirements of the NSQF.

Assessment is done through third parties who are affiliated to B&WSSC as Assessment Body. Assessors are trained & certified by B&WSSC through Training of Assessors program. The assessment involves two processes. The first process is gathering the evidence of the competency of individuals. The second part of the assessment process is the judgement as to whether a person is competent or not. The assessment plan contains the following information:

The assessments are happening in online basis. There are three phases of assessments which is followed in all assessment process of different job roles-

- Theory- weightage 30%
- Practical+ VIVA- Weightage 70% (Hands on assessment + Oral questioner)

The theory questions are objective type with multiple choice option, out of which we have some pictorial questions also. VIVA questions are also based on the job role and the practical questions are assessed on the hands-on performance.

Criteria on decision making & process manual is attached in the folder (Attachment name – Assessment Process)

Please attach most relevant and recent documents giving further information about assessment and/or RPL.

Give the titles and other relevant details of the document(s) here. Include page references showing where to find the relevant information.

Means of assessment 1

Criteria for assessment for each Qualification Pack will be created by the Sector Skill Council. Each Performance Criteria (PC) will be assigned marks proportional to its importance in NOS. SSC will also lay down proportion of marks for Theory and Skills Practical for each PC. The assessment for the theory part will be based on knowledge bank of questions created by the SSC.

Individual assessment agencies will create unique question papers for theory part for each candidate at each examination/training centre (as per assessment criteria below.)

Individual assessment agencies will create unique evaluations for skill practical for every student at each examination/training centre based on these criteria.

Means of assessment 2

Add boxes as required.

Pass/Fail

To pass the Qualification Pack, every trainee should score a minimum of 70% in aggregate. In case of successfully passing only certain number of NOS's, the trainee is eligible to take subsequent assessment on the balance NOS's to pass the Qualification Pack.
